

Always doing more for less!

Community Garden

McHenry Township Community Garden has 14 raised beds available (3.5 x 6.5ft) in the old Bocce ball courts in the Township Park (Johnsburg Rd & Hwy 31) next to the FISH Food Pantry. We garden organically (no commercial pesticides or herbicides). We have garden tools, cages, wheelbarrows, and hoses available. There is no charge, but you will need to commit to at least two four-hour sessions of community garden work per plot. You may also make a voluntary donation to McHenry Township to help with garden expenses.

Please contact Garden Coordinators Judy Gottlieb (gottlj1@gmail.com) and Tracy Gerber (tbone74341@yahoo.com) if you are interested in using a garden bed this year.
