

McHenry Township

Community Garden

McHenry Township Community Garden has 14 raised beds available (3.5 x 6.5ft x 17" high) in the old Bocce ball courts in the Township Park (Johnsburg Rd & Hwy 31) next to the FISH Food Pantry. Please contact jmacrito@mchenrytownship.com if you are interested in using a bed this year. John will notify the garden coordinator who will contact you by email or phone. We garden organically (no commercial pesticides or herbicides). We have tools and water available, and should have some plants. There is no charge BUT you will need to commit to at least two four-hour stints of community garden work per plot.
