

HOW TO NAVIGATE MCHENRY TOWNSHIP ASSESSOR WEBSITE PROPERTY SEARCH

Access www.mchenrytownship.com/assessor/property-search

Click on **ASSESSOR** and on the drop-down menu choose PROPERTY SEARCH

Scroll down to click on the blue **MCHENRY PROPERTY SEARCH** box

You will see the following choices

McHenry Township Property Search

[Search by PIN](#)

[Search by Street Address](#)

[Search by Sales Information](#)

You can choose from the three options. Once you choose one, enter the appropriate information. Our webpage now includes a photo, a drawing, and information about the property characteristics.

If you scroll to the bottom, there are 3 choices for comparables.

This will enable anyone to obtain comparable sales and comparable assessments which are processed by the system and your choice of comparable pins (property index number).

Should you have any questions, please contact The McHenry Township Assessor's Office at (815) 385-0175 or by email assessor@mchenrytownship.com.
