

Always doing more for less!

COMMUNITY INVOLVEMENT

The McHenry Township Road District: Always doing more for less!

In addition to keeping our roads safe and in top condition throughout the year, the Road District's staff and crew members serve our community in many ways.

Supporting our Township's election process.

Well in advance of every election day, members of our staff and road crew deliver the equipment necessary for voting to each and every polling place throughout McHenry Township.

The day after each election, our staff and crew members retrieve the equipment and return it to our facility in Johnsburg for storage until needed for the next election.

Supporting community fundraising activities

Each year, members of the Road District's staff serve as volunteers for a variety of fundraising activities for service groups such as the Lion's Club Food Sales Program.

Wonder Lake's Fourth of July Parade

One of McHenry Township's most popular events is Wonder Lake's annual Fourth of July Parade. As a courtesy, to assure the parade route is clean and free of debris, Road District crews mechanically sweep and manually clear the entire route before and after the parade. In the interest of safety, the Township crews also place barricades to close off the parade route.

The Road District's Family Fun Event

While the Road District's staff and crew members are always hard at work, they are committed to serving the citizens of McHenry Township and are always doing more for less.

One of the many Road District trucks on display.

A load of sand, a load of fun for children!

Model aircraft on display. An annual favorite!

Touch-a-Truck exposition and family fun event

With over 50 exhibitors of all types, and typically with over 3,000 attendees, families and visitors from all over Northern Illinois are treated to a dazzling display of sophisticated construction and farm equipment, emergency vehicles and gear, Township maintenance equipment, including the McHenry County Historical Society's fascinating history bus. And, each year a lucky winner goes home with a remote control monster truck donated by the Highway Commissioner.

McHenry County Historical Society's History Bus.

And, everyone's favorite, our helicopter fly-in serves as a unique and exciting opportunity for making photographic memories for children of all ages, including mom and dad. The thrilling arrival of the helicopter and its dramatic lift-off departure are always highlights of the event.

Our helicopter fly-in is everyone's favorite.

Touch-a-Truck

Hosted for over a decade on the 3rd Saturday of September by the McHenry Township Road District, "Touch-A-Truck" is always one of McHenry County's largest and most popular community events.

Kids having a bucket of fun!

Fire engines fascinate everyone, both young and old.

Law enforcement vehicles are impressive and fascinating.

James E. Condon P.E.
Highway Commissioner
